Property Owner and Business Owner in Westpark
Fees for Palmetto Wastewater for Research Associates and The Evaluation Group
' are paid though Columbia Conference Center, a customer of Palmetto Wastewater.

2. Please give a concise statement of your protest. • (This section must be completed. Attach additional information if necessary.)

As a property owner and owner of several businesses in the Westpark, I object to the rate increase put forth by Palmetto Wastewater/Alpine Sewer. My businesses strive to keep costs low wherever they can and still maintain the service our customers have come to expect. The proposed increase will have an adverse affect on our operating expenses. Also, we believe in supporting our community and neighbors, and feel concern for homeowners who live in the area that will be affected by this increase as well. Many of these people live on social security and any dollar value increase will have a serious impact on their finances as they live on a fixed income.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? •
